

INTRO FLIGHT

Top Flight Aviation

EXPERIENCE THE THRILL OF FLIGHT

● *15 minute Preflight*

You'll meet with one of our experienced instructors who will guide you through a preflight inspection of the aircraft

● *1 hour flight*

You'll then embark on a one-hour flight where you'll have the opportunity to take the controls (with guidance from the instructor, of course)

● *5 min de-briefing*

This is a great way to get a feel for flying before committing to formal training
