

# INTRO FLIGHT

## Top Flight Aviation

### EXPERIENCE THE THRILL OF FLIGHT

#### 15 minute Preflight

You'll meet with one of our experienced instructors who will guide you through a preflight inspection of the aircraft

#### 1 hour flight

You'll then embark on a one-hour flight where you'll have the opportunity to take the controls (with guidance from the instructor, of course)

#### 5 min de-briefing

This is a great way to get a feel for flying before committing to formal training
